PROFILE

As a Frontend-developer in react js, I have a strong focus in creating attractive and user friendly website design and developing. Now I am looking for professional experience to further enhance my abilities and make a significant impact in the industry. "I always welcome new challenges and opportunities to enhance my skills and knowledge because I genuinely enjoy problem-solving". Dedicated and determined towards my work. I excel in teamwork, demonstrated through my involvement in a collaborative Android project. Within our group, we effectively divided tasks among team members, ensuring an equitable distribution of responsibilities. By working together harmoniously, we successfully executed the project, achieving our collective goals.
